Cancellations & Important Information

A deposit in the amount of the rental fee and a signed contract is due within two weeks of booking your event to guarantee the requested date. Cancellation within 120 days for Friday and Saturday events and within 90 days for Sunday through Thursday events will result in the forfeiture of your deposit. If cancellation occurs within thirty (30) days of the event, the Event Host will be responsible for and charged twenty-five (25%) percent of the event's projected cost. The Food and Beverage "cost estimate" is an addendum to the Special Event Contract. Final charges are estimated based on the most recent counts and may fluctuate according to actual consumption.

Final Menu selections are required at least four (4) weeks before the event. A Second Guest Count must be submitted two (2) weeks before each event to ensure the availability of desired menu items. The final Guest Count is due ten (10) business days before the event. This number is the minimum number that your event will be charged. We will charge according to your preliminary count if we do not receive a final count. Applicable sales tax and a 22% service charge will be applied to all food and beverage purchases.

The final bill based on the final count given by the host will be due two (2) business days before your event. We accept Cash, Checks, Visa, MasterCard, Discover, and American Express. Prepayment installments are welcome if the total payments for the event are received two business days prior to the event. Any incidentals or additional charges that occur on the date of the event will be due upon completion of the event.

Food & Beverage Guidelines

All food and beverages must be purchased from the Club, except for "theme" desserts such as a graduation cake. Leftovers may not be taken off the premises due to health regulations.

A service charge of 22% and all applicable sales taxes will be added to all food and beverage tabs. Any incidental charges will be due after your event. Payment in full is required two (2) business days before the Event Date.

All Maryland state liquor laws, including but not limited to drinking age, will be observed and enforced, and the Club staff reserves the right to refuse service to anyone based on such laws. Further, any guest(s) attempting to serve alcohol in violation of the liquor laws or the Club's policies will be asked to leave the premises. Our policy prohibits alcoholic beverages from being brought on or removed from the Club's premises.

All other miscellaneous guidelines will be identified within the Special Event Contract and the Food and Beverage Addendum.
